SECOND RENEWED PETITION UNDER 37 C.F.R. § 1.137(b)

Sir:

This Second Renewed Petition is submitted in response to the Decision on Petition under 37 C.F.R. 1.47(a) and 37 C.F.R. 1.137(b) ("Decision") dated May 25, 2004, which granted the petition under 37 C.F.R. 1.47(a) and dismissed the petition under 37 C.F.R. 1.137(b). The Decision stated that the petition under 37 C.F.R. 1.137(b) was dismissed because petitioners did not provide a proper reply to the Notification of Missing Requirements, dated March 20, 2002, requiring a diskette containing the Sequence Listing. The Decision requested a true copy of the sequence-related materials on the diskette submitted on April 18, 2003.

Petitioners note that in response to the Notification of Missing Requirements dated March 20, 2002, petitioners submitted a diskette containing the Sequence Listing along with a paper copy and a Statement Accompanying the Sequence Listing on April 18, 2003 (see enclosed date-stamped postcard of April 18, 2003). It appears that this diskette has been lost.

In response to the Decision dated May 25, 2004, petitioners submit a true copy of the diskette containing the Sequence Listing that was submitted on April 18, 2003 along with a paper copy printed therefrom and a new Statement Accompanying the Sequence Listing attesting to the identity of the information on the diskette and the paper copy of the Sequence Listing.

Since petitioners had submitted all the documents that were required to respond to the Notice of Missing Requirements by January 13, 2004 (see enclosed date-stamped postcards of April 18, 2003 and January 13, 2004), this application should be considered as in compliance with 35 USC 371(c)(1), (c)(2), and (c)(4) as of January 13, 2004. Please modify all records in the United States Patent and Trademark Office to reflect this status. If a filing receipt is prepared subsequent to the decision on petition, please also ensure that the "filing date", which reflects compliance with all of the national stage filing requirements, is January 13, 2004.

If there are any questions with regard to this submission please telephone undersigned.

Conclusion

Except for issue fees payable under 37 C.F.R. §1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §1.16 and §1.17 which may be required, or credit any overpayment to Deposit Account No. 50-0310. Specifically, the Commissioner is authorized to charge a 3 month EOT fee under 37 C.F.R. 1.136(a) if this Renewed Petition is not found to be timely filed despite petitioners' arguments to the contrary, as set forth above.
